

# BETHANY MARTIN MINISTRY PACKET

## Hosting Bethany Martin

### How much does it cost to host Bethany?

Bethany currently travels on a love offering / honorarium basis. If traveling by plane, we simply ask that our travel expenses and meals be covered and a love offering and / or honorarium be given for her and the band.

### How many people travel with Bethany?

- On a road tour, we travel with 5-9 people. (some trips may include children)
- By plane, we prefer to take our whole team which is 6-7 people. For an acoustic event, Bethany needs a minimum of 2 additional team members.
- When Bethany is leading worship at an event, she prefers to travel with another team member.

### What do we expect of host ministries?

1. Prayer and intercession prior to our visit. (consider a corporate or staff fast)
2. All meals. (Breakfast can be a "continental" meal at a hotel.)
3. Available water prior to and during an event.
4. Housing. We prefer to stay in hotel rooms. (2 rooms is usually adequate.)
5. Love offering / Honorarium
6. Table for CD/t-shirt sales and 1-2 people to man the table.

### What kind of equipment do you need?

- On a road tour, the ministry typically uses the host church's sound system and brings our own instruments/equipment.
- If the ministry is flying, we need the host church to provide an adequate sound system for the event, a keyboard or piano, plus a full drum set, two electric guitar amps, and a bass guitar amp / cab.
- For an acoustic set, we need an adequate sound system, keyboard, guitar amp and djembe or other percussion.

*Blessings!*

## Short Bio of Bethany Martin:

Bethany Martin is a songwriter, worship leader and writer who desires to be faithful to tend the fire God has started. Her heart is for Jesus to be worshiped and for His heart to be expressed through His people. Bethany founded "Mary of Bethany" as an avenue to help people "waste" their lives at the feet of Jesus, hearing His word and valuing His presence above all else. Bethany loves to see people healed, delivered, set free and refreshed during worship! She lives in Austin, Texas with her husband, David and their two children.

## What people are saying about Bethany's CD "The Outer Courts Are Not Enough":

*"I have been listening to your CD and have enjoyed it, not just because I know you, but because of the depth, content and sensitivity for the Presence of the Lord through it. Your CD is well done, but more than the giftedness of those involved in its production is the character behind it. Our personal giftings can only take us so far, while the characteristics of His Kingdom extend far beyond them. Truly the character of the King emanates through your CD. If I can say so, I am very proud of you and what He continues to do through you."*

**Doug Stringer, Founder/President, Somebody Cares America/Int'l., Turning Point Ministries, Int'l.**

*"Bethany Martin's The Outer Courts are Not Enough invites and draws you into the presence of the Lord. It is a prophetic call to worship that speaks to your spirit and connects you with heaven. I highly recommend this CD to anyone who is seeking to know and experience God more intimately."*

**Charles Patterson**

**Senior Pastor, Church of the Hills of Austin**
